

Wishing you all a very HAPPY CHRISTMAS

We eventually got back to work at the end of October and made a good start on the 'haycutting' - using a contractor for the steep, inaccessible bits.

Our excitement was soon dampened when over 30 cones were stolen from the verge where we'd left them overnight between workparties.

(We have to use up to 90 at a time – an immense task)

Our faith in human nature was rapidly restored by the absolutely amazing response.

Within a short space of time donations were coming in to replace them.

I had a call from Adam Lane of

Adam, who lives in the village, put me in touch with Rob Bailey who promptly dispatched a driver with 40 cones!

Not only that everyone who had donated has kindly agreed to have their contribution added to our general fund.

THANK YOU ALL!!

Here's evidence of a **late** hay-cut (13th December) – a long way short of one that was delayed until February – snow on the ground and Primroses in bloom!
